

# Our Business is Growing and we'd like you to join us!

## **Mechanical Engineering and Drafting Technician Position Available**

- Abbotsford, BC
- Full-Time, Monday – Friday

At Prins Greenhouses we view each job as a fresh challenge. Using innovative technology and a lot of hard work, we are dedicated to designing and building the most efficient growing environments possible for our customers and their crops. Our construction and systems installation leaders have over 125 years of combined experience in the greenhouse industry and have been providing high-quality workmanship for growers in Canada and the USA over the last 40 years.

Our company is committed to long-lasting relationships with customers, staff, and suppliers. It supports the growth of both the individual and the team. With healthy individuals a team is all the stronger, and teamwork is the core of our success.

Are you someone who enjoys stable, challenging and rewarding work with room for growth? Join our team and work with great people who love what they do! Competitive wages, a comprehensive employee benefits plan and RRSP matching are some of the additional perks to working with Prins Greenhouses. Join our team and be part of an industry that brings food to the tables of millions.

### **Job Overview:**

- Engineering and drafting of greenhouse heating and related systems
- Use of Microsoft Office and in-house programs
- Preparation of materials lists, purchase orders
- Maintenance of archives for technical drawings
- Communication with engineering staff, construction supervisors, and subcontractors

### **Successful candidates will possess:**

- Completion of an engineering degree or diploma
- 3 years of engineering and drafting experience in a technical position (using Inventor 3D and Auto CAD 2D)
- Working experience with an ERP, and with Excel
- Ability to think creatively and solve problems independently
- Fluency in English (written and spoken)
- Valid class 5 driver's license and reliable vehicle
- Canadian citizenship, permanent resident status, or a current work visa
