

Our Business is Growing and we'd like you to join us!

Warehouse Assistant Manager Wanted

- Abbotsford
- \$21 - \$22 per hour
- Day Shift

At Prins Greenhouses we view each job as a fresh challenge. Using innovative technology and a lot of hard work, we are dedicated to designing and building the most efficient growing environments possible for our customers and their crops. Our warehouse serves both our construction teams and our customers who purchase replacement parts directly from us.

Our company is committed to long-lasting relationships with customers, staff and suppliers. It supports the growth of both the individual and the team. With healthy individuals a team is all the stronger, and teamwork is the core of our success.

Are you someone who enjoys stable, challenging and rewarding work with room for growth? Join our team and work with great people who love what they do! Competitive wages, a comprehensive employee benefits plan and RRSP matching are some of the additional perks to working with Prins Greenhouses. Join our team and be part of an industry that brings food to the tables of millions.

Job Overview:

- Order picking and preparation
- Co-ordinate and ship materials for customers and for job sites
- Invoice customers once orders are complete
- Maintain inventory control and order materials for inventory
- Use of hand and power tools
- Small repairs in warehouse
- Lifting, carrying and distributing construction materials (up to 50 lbs.)
- Operation of forklift

Successful candidates will possess:

- 1 year experience in a warehouse or related labour position
- Experience using Microsoft Office and Outlook in a work environment
- 1 year experience using hand and power tools
- Fluency in English (written and spoken)
- Valid class 5 driver's license and reliable vehicle
- Canadian citizenship, permanent resident status or a current work visa

Email your resume and references to hr@prinsgreenhouses.com. Short-listed applicants will be contacted by telephone. Thank you.
